

# Slipway: Terms & Conditions

No Parking, stopping or preparing of a vehicle/craft in front of, on, adjacent to, or opposite the Slipway on the highway. Do Not cause any obstruction that may hinder other slipway or highway users, emergency craft and services.

Vessels wishing to launch should, during working hours pay either at the Harbour Office or at the Pay & Display machine. Out of hours please use the Pay & Display machine.

All slipway users should be prepared to provide your details to Hayle Harbour Authority Operations Ltd staff as to whether you possess an Annual Season Ticket, are a Mooring Holder paying Harbour Dues or a Daily Slipway User.

Boat Trailers are to remain in the car park prior to launch/recovery until slipway is free of vehicles and trailers. This will relieve any congestion on the Highway and ensure the safety of road users, Hayle Harbour Authority Operations Ltd staff and the general public.

1. No vessel may be left on the slip. In the event of towing vehicle failure, the harbour office should be informed immediately to arrange removal from slip of failed vehicle and boat/trailer.
2. Where vessels arrive for launching at the same time the one that is quicker to launch, usually the smaller, should be launched first.
3. Vessels being recovered should have priority over those being launched. This is to avoid milling about in the water at the bottom of the slip.
4. No vessel may be launched without first paying the prescribed fee and the vessel's owner declaring his/her vessel carries valid insurance.
5. In the event of emergency vessels on or approaching the slip will give way to rescue vessels needing to launch.
6. The slip may not be used to carry out engine tests, refuelling or oil change.
7. The slip may not be used for club gatherings or other meetings.
8. Slip users should familiarise themselves with safety and other information posted at the slip.
9. The slip may not be used by vessels and/or trailers with a combined weight greater than 4 Tonnes.
10. Trailers must be rubber wheeled; No skids, sleds or iron rimmed wheels may be used on the slip.
11. Persons using the slip do so entirely at their own risk. Damage to vessels or vehicles will also be at owners' risk.
12. Vehicles carrying boating or other equipment may not unload such equipment on the slip or obstruct access to the slip while doing so. Equipment, once unloaded, may not be placed so as to obstruct the slip.
13. Slip users must comply with instructions issued by to Hayle Harbour Authority Ltd officers, staff, and their agents under section 21 of the Hayle Harbour Act 1989.
14. Vessel Owners should take into account weather conditions and ability
